

Introducing Grant Heath

Prior to Gaines International, Grant was a Vice President with W.L. Handler & Associates, a generalist retained search firm specializing in mid to senior-level searches within the Fortune 500 markets. During his tenure with W.L. Handler & Associates, Grant was fortunate to work with such notable corporations as Anderson Consulting, Coca-Cola, Deloitte & Touche, Georgia Pacific, IBM, PepsiCo, and many more.

As a Partner in the firm, Grant is responsible for client acquisition, executing the searches, and working with clients in a consultative and coaching capacity. It is his purpose to become their trusted adviser in identifying goals, assessing core strengths, establishing search strategies, and guiding the process through the successful completion of the engagement.
